{We're Hiring!}

Penn State Health and the Penn State Children's Hospital have the following physician openings:

- Pediatric Hematology
- Pediatric Neuropsychologist
- Pediatric Genetic
- Pediatric Nephrology
- Pediatric Pulmonary Sleep

Pediatricians with all levels of experience are encouraged to apply, though academic rank will be commensurate with experience and record of scholarly accomplishments.

Penn State Health is a multi-hospital health system serving patients and communities across central Pennsylvania. The system includes Penn State Health St. Joseph Medical Center in Reading, PA, Penn State Health Milton S. Hershey Medical Center, Penn State Children's Hospital, Penn State Cancer Institute, and Penn State Health Rehabilitation Hospital (jointly owned), based in Hershey, PA, as well as more than 1,300 physicians and direct care providers at 78 medical office locations. The system also has jointly owned health care providers, including Hershey Outpatient Surgery Center, Hershey Endoscopy Center, Horizon Home Healthcare, and the Pennsylvania Psychiatric Institute. Penn State Health shares an integrated strategic plan and operations with Penn State College of Medicine, the university's medical school.

Photo was taken before March 2020 when COVID-19 precautionary measures were not in place.
