Mission

We create hope and build healthier futures.

As a leading pediatric academic medical center, we fulfill our mission by:

- Caring for children, adolescents, young adults, families and each other
- Advancing knowledge
- Preparing future generations
- Building our financial strength

Values

- We achieve our best together.
- We are hopeful and compassionate.
- We are learners leading transformation.
- We are stewards of the lives and resources entrusted to us.
- We serve with great care.

At a Glance

Research

- Among the top 10 children's hospitals for National Institutes of Health (NIH) funding (\$22.6 million)*
- \$98 million in total funding*
- More than 350 faculty members who collaborate to combat cancer, heart disease, brain disorders, autism, obesity and diabetes, among other pediatric conditions
- One of the first sites in the U.S. approved to offer CAR-T immunotherapy to children with leukemia
- Developed OncoKids®, the first genomic panel designed to guide the diagnosis and treatment of pediatric cancers and enable personalized cancer care
- Collects data using mobile epilepsy monitoring equipment to more precisely target the origin of seizures, providing patients with the best surgical outcomes
- Participates in a novel research consortium for hypoplastic left heart syndrome (HLHS) to test the safety and feasibility of using a baby's own stem cells to strengthen the heart

*For time period July 1, 2017 - June 30, 2018.

Education

Physicians

The best pediatricians in the country are trained at Children's Hospital Los Angeles.

Training programs include:

- 364 medical students
- 277 student shadowers
- 93 full-time residents
- 3 chief residents
- 127 fellows

For the past 19 years, 96 percent of graduates of CHLA's Pediatric Residency Program passed the American Board of Pediatrics on the first attempt, well above the national average of 75 to 80 percent.

Nurses

CHLA is the founding hospital of the Versant™ RN Residency in Pediatrics. It has become the national model for new graduate nurse residency programs throughout the United States.

- More than 1,400 nurses have graduated from the RN Residency as of June 2018; 67 percent of those graduates are still employed at CHLA.
- Approximately 1,200 nursing students were taught at CHLA in 2018.
